ICS 100: INTRODUCTION TO THE INCIDENT COMMAND SYSTEM

PURPOSE

This course provides training and resources for personnel who require a basic understanding of the Incident Command System (ICS). ICS-100 introduces ICS and provides the foundation for higher level ICS training. This course describes the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the NIMS.

AUDIENCE

The target audience includes persons involved with emergency planning and response or recovery efforts.
